

THE JÁVEA PLAYERS

Application to become a Friend

Becoming a Friend of Jávea Players means that although you may not want to participate actively in its productions, you do wish to make a very real contribution to the society's success. The annual subscription is 10 Euros per person.

Some of our friends support us financially by advertising in our programmes, or by kindly displaying posters for us. Occasionally, some lend us a hand with our buffet for Gala nights or by selling programmes in the foyer.

We would like to get to know our Friends more, by welcoming them to our social events, all of which are shown in our regular Newsletter, which would be posted or emailed to you. We would like also to show our appreciation of your support by offering priority booking for all our performances.

We do hope you will decide to become a Friend of Jávea Players by completing the slip below and returning it with your cash subscription to the Membership Secretary:
